

SPI March/April 2022 Update

Pray for Croix-des-Bouquets

Please keep Pastor Nesly ALEXIS and his church in Croix-des-Bouquets in your prayers. Violent gangs are taking control of Port-au-Prince and the surrounding cities, and Croix-des-Bouquets is amongst those affected.

Pastor Nesly writes, "**We live the worse situation in our life.** Since one week we can't leave our house. Gangs fight for the control of the area. Some of us already left the zone but now it is more difficult for us because **gangsters control all the road to leave** and they are so violent all of people are dead in this situation. Thanks God we don't have members at church yet, but **some leave their house without having destinations.** Some sleep with children without food and water under the moon. Please pray that God allows us to leave the trouble zone and go in safety. **And take the control of the zone for peace to come back.**"

We pray for safety and for peace to be restored in Haiti, especially for those in Croix-des-Bouquets at this time. **May God have His way in this country, and may lives be transformed because of His security in the midst of turmoil.**

Happy Anniversary!

Jacmel – Eight Years

Launched April 2014

Located in the large city on the southern coast of Haiti, Harvest Jacmel has seen God move powerfully in the congregation and community. Launching under the leadership of Pastor Abraham Comper and partnering with Summit Point Church, Harvest Jacmel was one of the largest church launches in Harvest history, with 1400 attendees on launch Sunday.

The church was able to commemorate their eighth anniversary with a massive celebration for Christ on Easter Sunday!

Training Center Session – Module 2 Completed

In March, Pastor Levy RICHERÉ completed his first module at the SPI Haiti Training Center! He returned home for a two-week break, and during this time, he worked on building his Core Group. He also started meeting with various groups in the church as well as with the community in order to **share the church's new vision**.

In April, Pastor Levy returned to the Training Center with **great feedback**, as his church has shown commitment to supporting the new vision of this church. **This month, he also completed the second module of training.**
