Happy Anniversary!

Lascahobas – Four Years

Launched March 2018

Located in the central department of Haiti, Lascahobas is an agriculturally driven community that is known for the many Voudou festivals that occur regularly throughout the year in the surrounding hills. In hearing the Lord's call for revival here, Pastor Carnold joined the Training Center's first class and graduated in the summer of 2017. Launching Harvest Lascahobas in March 2018, he has since seen a great hunger for the Word in his congregation.
